Dedication

To YOU who are pictured on the title page of this book, to YOU who serve as members of the various Boards of Education who are not pictured on the title page and to YOU who have served as board members or, who will serve as such in the future we dedicate the SPEEDOMETER OF 1951.

We have tried to show our appreciation in this volume of all of the contributing agencies aiding the board members of the Portage County Schools in building and maintaining the fine school system which we have for the youth of the county. If it were not for the endless work of board members in the whole system we could not show in the pages of this book the graphic proof of achievement that is pictured herein.

The title page of our book is a picture of a panel discussion called by Mr. Rausch in the fall of 1950 for clarification of financial problems and general questions under Dr. Robert L. Rohe of The State Department of Education. At this meeting we were hoping that all members of local boards could be photographed as the formation of Southeast District was completed and many members of local boards were retiring at the end of the year.

At that time five schools, Charlestown, Deerfield, Edinburg, Palmyra and Paris combined their several high schools to make Southeast High School while retaining their local buildings as elementary centers. Shalersville and Streetsboro also became elementary schools sending their secondary students to strengthen other high schools of the county.

The Garrettsville-Nelson merger has precedence of time over the mergers of 1951 however and has proved satisfactory in many ways.

The State Department of Education has found the larger unit to be more satisfactory and, again we must thank you board members for helping with the problems which come out of centralization.

After you board members, we wish to thank the personnel of the county office under Mr. Rausch. Mrs. Wilcox, with her work in Speech and Hearing Therapy, Mrs. Martin, for her patience with our staff with our numerous troubles in compiling the book, Mr. Mullaly, who is responsible for seeing that all the boys and girls are present on the day Speedometer pictures are taken — all these fine people have aided us as part of your schools.

Dr. Sternlieb and his fine staff of county nurses have been the soul of a fine health program for our boys and girls while Mrs. Clelland and her staff of the Portage County Bookmobile deserve credit for bringing a richness of literature into the lives of our young people.

We have listed our cooperating agencies under the heading of V. I. P's. for they are Very Important Persons.

Ladies and Gentlemen of the Boards of Education of Portage County, the Student Editors, the Student Business Managers and Administrative Committee members of the Portage County SPEEDOMETER of 1951 herewith dedicate this book to you.

SOUTHEAST SCHOOL DISTRICT BOARD OF EDUCATION

Charles Powers, Everett Thorpe, Mason McConnell, Pres., Wendell Strausser, V. Pres., Cecil Ruggles.

EDITORS

The editors were responsible for gathering copy, organizing the material and aiding in the final make-up of the book. Working with the faculty sponsor they have done a fine job portraying the high-lights of each school's activities.

Greetings, guys and gals. Welcome to another eventful year at good old A. H. S.

Atwater High opened her doors September 5 to greet 100 students who were anxious to begin pondering over schedules and school activities for a new principal and music teacher had joined the staff of brain-builders, and the students could hardly wait to try them out.

The classes soon became organized and officers were elected. Gertrude Douthitt headed the Senior class; Lavada McHenry, the Juniors; Bill Drakulich, the Sophomores; Peck Marts, the Freshmen; Tom Knapp, the eighth grade; and Nevin Wertenberger, the seventh grade.

Phyllis Stephenson and Betty Miller, Juniors, and Irene Graham and Gertrude Douthitt, Seniors, were chosen by the student body to be cheerleaders.

Our football season got under way September 8 at the Annual Grotto Prevues but a disappointment was in store for the Spartans as Ravenna Township defeated the team 6-0. Some of the highlights of the season were the Athletic Auction which netted $166 to be used for equipment for the Spartans and the fourth Annual Homecoming over which Phyllis Stephenson reigned as queen and Glenn Libis, football captain, as king. The season ended triumphantly with no losses, but with two ties, which made us County Champs. The team enjoyed a chicken dinner at the Tall Pines at which time the trophy was presented to them.

Next on the list of events was the Seniors' trip to Massillon for pictures. A visit to McKinley's monument was also enjoyed by the Seniors that day.

Several field trips were taken by the various classes. The home economics girls enjoyed a trip to O'Neils in Akron, and the commercial law class visited a trial at Ravenna Court House.

"Crazy But Cute", the Senior play, got under way in November and weather conditions finally permitted its presentation in December.

Irene Graham and Ray Beans headed the Magazine Drive. The top salesman, who received the portable radio, was Wayne Hrovatic.

Mrs. Sherret appeared in the spot light along with the mixed chorus as they presented a program of Christmas music at P. T. A. and the Community Christmas.

The members of the class of 1952 received their class rings and soon sported their blue and gray class jackets. The members of the class of 1953 excitedly ordered their rings and jackets and will proudly be wearing them next year.

The basketball season was less flowery for the Spartans as they suffered quite a few losses, but that still didn't bother them as they kept right on fighting.

The month of April found the Juniors very busy presenting their class play and giving the Seniors a Prom they wouldn't forget.

But the month of May found the Seniors even busier as they started the month off with a wonderful trip to Washington, D. C. and ended it by marching down that aisle in caps and gowns with tears in their eyes, smiles on their faces, and outstretched hands for that achievement of twelve years, a diploma.

ATWATER FOOTBALL

The Atwater Spartans finished their 1950 season with one of the best records in the history of the school. The Spartan s tasted defeat but once and that at the hands of North Jackson by a score of 7 to 6.

Two other blemishes marred the Atwater Record in County play—Ties at the hands of Garrettsville and Ravenna Township. These ties made the Atwater Spartans share the championship with the Rootstown Rovers.—Congratulations Mr. Rickelman for a fine team.

Portage County Bookmobile

The Portage County Library Service under the able direction of Mrs. Marjorie B. Clelland and her assistants has become an established institution with the schools of the county. Working on a schedule that includes every corner of Portage County, the bookmobile supplies the needs of adults and children with wholesome literature from its well-stocked shelves. In this way communities that have little or no library facilities can secure books on any subject for any age group. Primary teachers may have collections of books for the little folk while children from third grade up become familiar with the process of borrowing their own beloved favorites.

When the big bookmobile pulls into the school or is found parked at a country cross-road we know that rural youth is enjoying another privilege granted by the American way of life.

A.H.S. Stormed By 40 New Students

Aurora started the year 1950-51 with an additional 40 students from Streetsboror and four new faculty members. At the beginning of the football season the senior class sponsored a Bonfire Pep Rally, welcoming the new coach and students. All of the home games were played on the new field. At the end of the season the G. A. A. and Varsity Club sponsored the annual Homecoming Dance with Ethel Lucas reigning as queen. An All Sports Banquet was served by the men of the P. T. A. at Streetsboro Gym where Aurora played all its home basketball games this year.

The senior class, doubled in number with the coming of the Streetsboro students, started off the year with an Ice Capades Party followed by the annual trip to Massillon for senior pictures and a visit to the State Hospital. Looking forward to the trip, they sponsored a P. T. A. dinner and sold Christmas cards to boost the treasury.

The Student Council was divided into two groups this year, one for grades seven and eight and one for grades nine through twelve. In November the Fall Festival was given for the benefit of the Athletic Association and for the purchase of furniture for the stage. Student Council also was responsible for the Thanksgiving and Christmas programs in addition to a series of movies and assemblies throughout the year.

The Y-Teens, being anxious to interest all the new girls, gave a "Coketail" Party and later initiated many of the guests as new members at a Candlelight Ceremonial. Their first project of the year was a trip to the Cleveland Health Museum.

Christmas came with the usual round of parties including the Junior-Senior Christmas Prom which this year was held at the Streetsboro Gym. Then Y-Teens joined with the Hiram Y-Teens in a Christmas Formal the same as last year.

The junior class presented the three-act play, "Don't Take My Penny" after much conflict with the big snow. The sophomores brought forth their talents by presenting two one-act plays in March, while the seniors followed with the three-act play, "A Date With Judy" in April.

Between Christmas and the end of school, the G. A. A. and the Y-Teens kept things moving with a Mother-Daughter Tea at Streetsboro, the Valentine Dance, the Mother-Daughter Banquet, the annual trip to the Opera, and May day.

At the end of the year the juniors honored the seniors with a dinner dance. The usual round of senior activities including Baccalaureate, Class Night, and the Senior Assembly preceded the long-awaited date of May 25, Commencement. A few days later the seniors were on their way to the Smokies by way of the Skyline Drive, Natural Bridge, and many other points of interest.

OPENING OF SCHOOL—A group of enthusiastic boys and girls. The same faculty as last year under the leadership of genial Orville Hissom. SCHOOL PATROL—The eighth grade assuming the responsibility with the following members ably performing their duties: Bill Oros (captain), Leonard Andexler, Buddy Williams, Paul Gahagan, Bob Stratton, Bob Andrews, Bob Snowberger, Jack White, Frank Whitacre, Bob Rydbom and Chuck Shellhorn. CAFETERIA—Operating under the management of Mrs. George Ney. Excellent meals! FALL FESTIVAL—Sponsored by our local P. T. A. Everyone attending report an enjoyable time. BASKETBALL—Mr. Sheppard from Brady Lake coaching the different teams from the 5th, 6th, 7th, and 8th grades. The 6th and 7th grades playing in the Kent tournament sponsored by the Eagles. Our regular team planning on entering the Portage County tournament. CHRISTMAS—Art displays in the various rooms—gift exchanges—Christmas music—the school chorus singing carols—the true spirit of Christmas prevailing. Our school chorus providing the annual Christmas program for the Kent Kiwanis Club. MARCH OF DIMES AND THE JR. RED CROSS DRIVE—Our school being commended in the way they contributed to these worthy projects. VALENTINE DAY—"Heart throbs" — valentine boxes—and parties for each grade. SPRING "INTERESTS" — Spelling Bee, eighth grade state tests—seventh-eighth grade annual farewell — eighth grade banquet — stamp party for winning grades — and last, but not least — Recognition Day — and so ends another very successful year for Brady Lake.

Brimfield

Second row: William Carlin, Eugene Glick, Mrs. Mary Smith, Mrs. Rhea Merrell, Wilbur Holgate, Robert Gregory, Paul E. Smith.
First row: Mrs. Nancy Allen, Miss Rose Scarpellini, Mrs. Esther Dersom, Miss Aline Briggs, Mrs. Margaret Kerwin.

Brimfield opened the 1950-51 school year with Mr. Paul E. Smith as principal. Enrollment totaled 339 pupils. The two new additions to the Junior High teaching staff are Mrs. Nancy Allen and Mr. Robert Gregory. Mr. Holgate remains with the staff. Miss Rose Scarpellini as secretary is the new addition to the administrative staff.

During the month of October the seventh, eighth, and ninth grades sponsored hayrides. Everyone went home full of weiners, pop and hay. On October 20, a few members of the ninth grade class attended the Fall All-High Dance at Kent State. Also in October the five upper classes participated in the annual magazine sale. The money received from this source was used to purchase a tape recorder. Another piece of equipment we were very glad to obtain was a new movie projector.

The big event of November was the Thanksgiving vacation which was extended a week with the help of "old man winter".

The eighth grade sponsored a Dress Up dance on December 15 at which everyone enjoyed themselves.

The P. T. A. held a Fish Fry in December and also sponsored a Christmas dance for the Teen Town members. The Brimfield Dance Band played during intermission at the dance and refreshments were served.

The elementary grades held a very nice Christmas program for the pleasure of the parents. This was made possible by the co-operation of the elementary teachers and our music teacher, Mrs. Josephine Flint.

Many events are planned for the coming year. One of the most important activities is our May Day ceremony. The May Queen will be appointed from the ninth grade class by the Junior High. Clarence Wright, ninth grade class president and patrol captain, will escort the queen.

The whole school is looking forward to a gala day at Geauga Lake on the last day of school. To end the year, the ninth grade class is looking forward to Baccalaureate and Commencement with great expectation. We who remain at Brimfield wish the class good luck and a happy three years at Kent State.

1950 - 1951

September—School started with a bang! Our building had its face lifted and all our rooms were lovely in their new colors. We always look forward to the arrival of the student teachers from Kent State University and Septmeber 25th brought them to us.

October—Our hot lunch program began with full meals (yum, yum!)—watch your figures. The annual Curtis magazine drive was carried on this month. A very profitable drive for the four upper grades. There were Halloween parties given by the room mothers at school for grades one through six. The home of Dick Pfenniger was the scene of ghosts and witches to frighten the eighth graders.

November—Always a busy month and this one gave us an extended Thanksgiving Vacation because of the deep snow. We enjoyed it very much but "Woe is me" said Mother.

December—Our new coach Joe Huth came to us. Basketball began in the Kent Recreation League for boys of grades six and seven. Grades two, three and four visited Kent State University Industrial Art exhibit and enjoyed a puppet show. The annual Christmas party was given by the P. T. A. Eighth grade girls presented a play, "Toyland Secrets" and grades one, two and three, the' 'Shoemaker and Five Little Elves". Santa was there and remembered us all. Christmas Vacation until January 2, 1951.

January—Back to work. Some people found new lights in their rooms. Eighth grade girls finished the work on United Nations flag. Some of our boys joined with Kent State University School Junior Hi for basketball, the coach being Bob Ludick, our former coach and student teacher.

Grade 8
Grade 7 and 8
Grade 5 and 6

February—The annual seventh and eighth grade Valentine dance and party with hearts, cupids and valentine spirits floating through the air was enjoyed by everyone, including our chaperones. Everyone in the building was thoughtfully remembered as St. Valentine would have done. Again grades two, three and four had an interesting field trip—Fenn's Dairy (chocolate milk for all) and the Kent Post Office.

March—Spring is in the air! A field trip to Mr. Coe Ellsworth's farm, Fenn Dairy and the Kent Post Office for the first grade. The annual basket ball dinner with awards presented by coaches Joe Huth and Bob Ludick was sponsored by the P. T. A. Spring Vacation began on March 17.

April—How could April and the eighth grade tests arrive so quickly? Oh! How we wish we had studied a little more.

May—The all day exchange visits of the eighth grades of Kent State University School and Franklin come in May. We all become acquainted with one another and with the school procedure in general. Now we are ready for the Spring All High dance at Kent State University School, (watch the primping) and for the entertaining of the K. S. U. S. people at our Spring party and dance.

June—This is the wonderful but "sorry to go" graduation night. May we all remember the important things with which all our teachers at Franklin Local School have helped us. Live a happy life through friendship, helpfulness and good citizenship.

Mantua Schools started the third successful year of consolidation with the enrollment of 583 pupils. Shalersville students had increased our high school to 129 students.

The new building, which was recently completed, provides space for the growing classes in agriculture, industrial arts, mechanical drawing, and instrumental music.

The library has been greatly modernized and enlarged and is rapidly gaining the standards of a Class A library.

One of the main events of the fall was the Homecoming football game and dance. Rita Hale, the homecoming queen, was escorted to her throne by the co-captains of the football team, Andy Oros and Dick Hon. Her attendants were Juanita Hostetler, Joyce Lesnak, Gwendolyn Hon, and Harriet Payden.

In November the Seniors presented the western comedy, "Desperate Ambrose", directed by Mrs. Horton Alger.

During the winter months basketball was the major attraction. The team had enthusiastic support from the community and were favored by several victory parties at the school.

The school newspaper, the Bellringer, was reorganized and several interesting issues have been published. Mrs. James Davis is the sponsor and David Lockwood, the editor.

Beta Club

Three one-act plays, "Love Hits Wilbur", "Mama's Getting Married", and "Hillbilly Sue" were given by the freshman, sophomore, and senior classes respectively on March 21.

With Springtime came the production of the delightful operetta, "Tulip Time" with a cast of fifty voices from the high school.

As a climax to Latin Week, the Latin classes, with Mrs. Davis as sponsor, held a Roman Banquet on March 16.

At the annual athletic banquet Coach Emil George presented letters and certificates of participation to the five cheerleaders and to the boys who played football and basketball. Awards were also given to winners of the intramural basketball championship teams and to individual players.

The mixed chorus, girls' ensemble, instrumental ensembles, piano, instrumental and vocal solos, under the direction of Mrs. Alger and Mr. Hayes, entered district and state competition in early April.

On April 27, the junior class presented a three-act comedy directed by Mrs. Davis.

The Junior-Senior Prom, one of the most colorful events of the school year, was given in early May.

Graduation exercises were held on May 25 with Mr. Alden Green, school board president, presenting diplomas to our twenty-seven seniors. On May 27 the seniors left on their long-anticipated trip to Washington, D. C.

AUTOGRAPHED MEMORIES

Randolph

Marjorie Adelman
"Margie's a blond with a friendly smile
You'll remember quite a while,
She's been in Y-Teen and F. H. A.
And worked on the paper and senior class play.

Mondella Ballard
Little of body, but not of mind,
A cuter gal you'll never find.
"Tiger Tales", Y-Teen, and "Our Miss Brooks"
Often kept "Della" away from her books.

Alice Becton
A lot of friends, a ready wit
Make "Sis" a gal you can't forget
Y-Teen, newspaper, and senior play
Kept "Rabbit" busy every day.

Violet Boggess
A giggle, a trumpet, a "brain" and a friend,
"Bud" is a scholar with talent no end.
Beta Club, newspaper, junior class play,
Band and president of G. A. A.

Shirley Boston
A pretty blond with lots of pep,
This brand new senior is really hep,
Perhaps you will see her on the stage,
Her acting and singing are quite the rage.

Alberta Campbell
A heart of gold, a winning way,
What else could anyone possibly say?
In choral music she has a nack,
Bert's very athletic, a wonder at track.

Mahlon E. Carlile
Handsome, well built, with wavy hair,
A charm that wins everyone's hearts everywhere.
In class plays and athletics, quite a good sport,
Since he left school we miss his ready retort.

Richard Fasig
Two characteristics you can't erase,
A witty mind and a friendly face,
This blond is athletic and loves many sports.
Dick came here from Florida, land of resorts.

James Freeman
Little but mighty, a great man is he,
He keeps life happy with his comedy,
Jim studies a little but is active all day,
He's a member of Hi-Y and was in the class play.

Richard Harris
Short and witty, he's really smart
His papers in trig class are quite an art,
"Tojo" talks quite a lot, yet in a class play
As "Stanley" or "Grandpa" he had little to say.

Elaine Horning
Y-Teen president, homecoming queen,
A girl lovelier than Ellie is seldom seen.
A cheerleader, an athlete, "Jane" in the class play,
On the paper, in chorus, and in F. H. A.

Thomas Hogan
Big brown eyes, full of fun
Tom gets along with most anyone.
He's a scholar, an athlete, and popular too,
Had a lead in the play "Professor, How Could You?"

Joan Hutchison
Pretty hair and freckles are something to see,
An excellent typist, a personality,
In chorus, on the paper, and sometimes Jo's seen
In the school office working, or in the Y-Teen.

Marjorie Huth
A gracious manner, a pretty face,
Our Margie is welcomed in any place.
Newspaper, office, Y-Teen, and class play,
Keep her busy as well as G. A. A. and F. H. A.

Marilyn LaChance
Pretty hair, a friend of all,
Willing to help at any call,
"Chancies" kept busy with F. H. A. and Y-Teen,
At G. A. A. and newspaper work she is seen.

Edgar Laubert
A basketball player who's really fine,
A little fellow, your friend and mine.
Eddie's fond of athletics, fall, winter or spring,
Baseball, football, or basketball's really the thing.

Angeline Livigni
Dimples, a smile, dark hair, and dark eyes,
And a sweet personality, Angie's a prize!
In Beta Club, on the office staff, once our sweetheart queen,
In F. H. A., newspaper, and junior play she was seen.

Zoe Ann McDaniels
"Zoosie" is tiny and new at our school,
A beauty and brilliant, she isn't a fool!
She's active in Y-Teen and G. A. A.,
On the newspaper staff and in F. H. A.

Howard Meacham
A studious fellow, a friend indeed,
With what he has, he will surely succeed,
In Beta Club, band, and scholarship team,
Hank's parts in class plays were really a scream.

Marianne Morris
Intelligent, friendly, and gay all at once.
A boat named "The Dreamer" is all she wants,
In newspaper, Y-Teen, G. A. A., chorus,
And now she's engaged, our "Rigor" Morris.

Roberta Pierson
Lot's of fun and always neat,
Bobbie's a gal that can't be beat,
As newspaper editor and "Miss Brooks" in the play,
Beta Club and Y-Teen keep her busy each day.

Elsie Pontius
"Else" is quiet, friendly and neat,
A friend when you need one, a girl that is sweet,
She was in the chorus and F. H. A.,
In newspaper work and G. A. A.

Norman Regnaud
He likes music, this athletic guy,
An excellent track star, Norm's really quite shy,
In athletics, football, basketball, and
Track, of course, and "Flash" plays in a band.

Gene Roliff
A good leader and a witty fellow to boot,
A guitar player who's really cute.
Class president, plays, Beta Club, and minstrel show,
With Hi-Y and football kept "Dutch" on the go.

Arla Jean Sanor
Understanding, bright, and gay,
Arta's laugh would brighten any day.
In junior play, senior play, G. A. A. and then,
In F. T. A., F. H. A. — "A" — men.

Evelyn Snyder
Cheerleader and F. H. A. president, yet
It's her cute giggle we will never forget.
In the queen's court and speedometer her time was spent,
And of Y-Teen and seniors, Evie's vice-president.

Laurence Steiner
A fellow full of music and fun
Is entertainment for everyone,
In the school choir and minstrel show,
With Boy's Glee Club, Larry's on the go.

Betty Jean Toth
Pretty black hair and dimples, too.
Bett's smile is always shining through.
In chorus, Y-Teen, and G. A. A., you see,
In the senior class play she was cute as can be.

Donald Vorhies
A scholar is something nice to see,
A gentleman is a joy to see,
Don loves music in the Glee Club and Chorus,
And on the newspaper he also works for us.

Donna Waddell
She's peppy, she's happy, she's loads of fun,
She has many friends, and enemies—none.
In the class play, in athletics she's very skilled,
With Y-Teen, F. H. A., and Walt, her days' filled.

Helen Wilder
A perfect friend of all is rare,
And you can't top her anywhere.
Chorus, Y-Teen, and senior class play
Kept her busy along with G. A. A.

Hi Gang,

Another year has just gone by. Gee whiz, it seems like only yesterday that school started.

New teachers added to the faculty were Mr. George Streby, coach; Mr. Dante Casali, 6th grade; Mrs. Helen Moyer, 5th grade; Mrs. Gladys Harwell, 4th grade; Mrs. Helen Boyer, 3rd grade; Miss Irene Rozzo, girls' gym teacher; Mrs. Dorothy Franks, Home Economics; Mr. Gray Tuecke, music; and Mr. Frederick Karres, principal.

We are all proud of the new gym, which is one of the best in the county and appreciate the efforts of the Booster Club in helping to equip it.

On October 9, the Seniors went to Massillon to get their graduation pictures taken. They stopped in Canton on the way back to see McKinley's monument. At the end of the month, they had their Homecoming Dance with Elaine Horning as queen.

Roberta Pierson played the title role in the senior play, "Our Miss Brooks", which was presented in November, under the direction of Mrs. Lillian Franks.

The music department prepared an impressive candle-light program for Christmas which was held in the new gym and was very entertaining for all. The annual Christmas carnival was held at Randolph this year.

In January, the seniors held a ham supper and also sponsored a movie.

A minstrel show was presented in February and the seniors sponsored a Valentine Dance.

The juniors had their play entitled "Clementine", in March. This was also directed by Mrs. Lillian Franks.

In April, the seniors had a Variety Show to wind up their projects for the year.

By May, everybody was excited about the annual Junior-Senior Prom.

Graduation was held in the gym with 29 seniors receiving their diplomas.

The seniors ended their activities with a trip to Washington at the close of the school year.

Ravenna Township

BOARD of EDUCATION

OUR PRINCIPAL

Chester A. Enlow came to Ravenna Township School, in the fall of 1950, from Paris School where he was principal for four years. Mr. Enlow served as a Captain in the U. S. Army from 1942 to 1946. He was active in the Army's athletic program during this time. He graduated from high school in Albany, Ohio, and then attended Ohio University where he received a B.S. degree in Education. He also holds the degree of Master in Education. His majors were school administration, History and Government. Mr. Enlow's wife is a graduate of Baylor University in Texas. She majored in public school music and later taught in Texas. The Enlows have two children, John 5 and Carol 2.

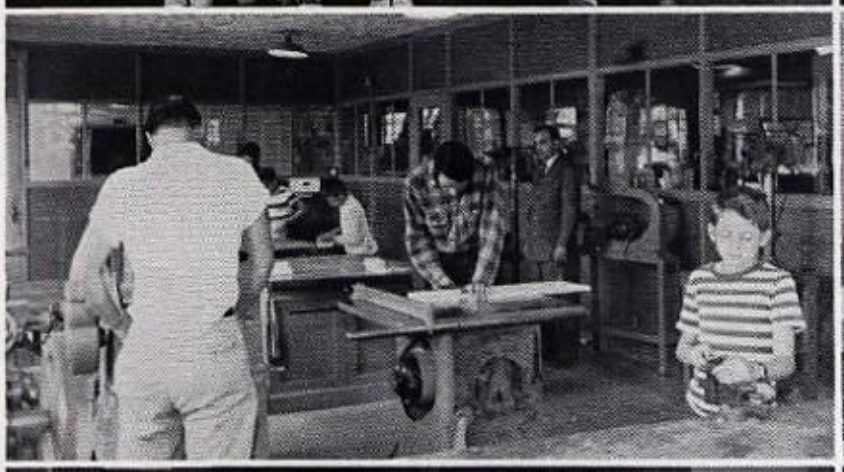
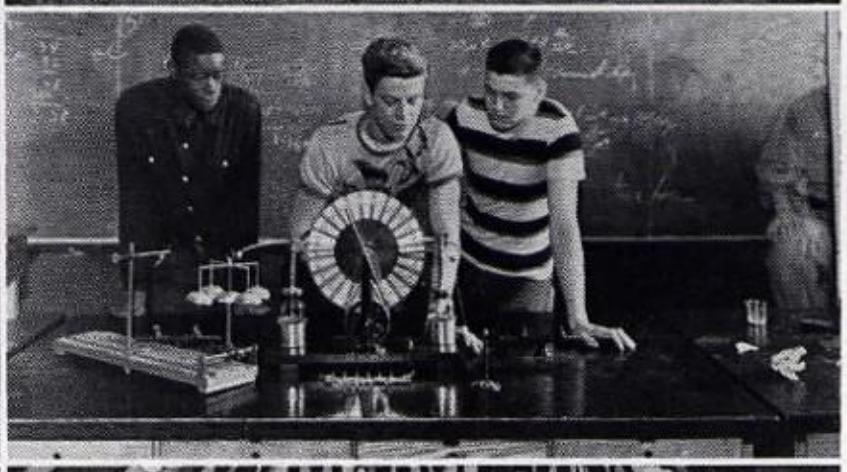
Activities





Beta Club—President, Jerry Wise
Shop—Mr. D. J. Mittiga
Safety Patrol—Mr. E. Wise; Captain Paul Taylor
Student Council—President R. Stonemetz

On September 5th another school year opened at Ravenna Township. We started under the direction of our new principal, Mr. Enlow.

We had a very successful football season climaxing with the annual Homecoming game and dance. Mary Lou Smole was crowned Homecoming Queen by captain of the football team, Nile McCoy.

On September 27th, the Seniors went to Massillon to have Senior pictures taken.

The Student Council started out by electing Dick Stonemetz as their President; Sally Pittman, Vice President; Bill Swigart, Secretary-Treasurer.

The Band Patrons held their annual carnival in October and it was a big success.

Band—a mighty fine organization
Physics Lab.—Mr. S. W. MacMillan
Homecoming Court—Queen, Mary L. Smole
Y-Teens—Advisor, Lois Dorsey;

December 16th the Seniors presented their play, "A Great Life" directed by Mrs. Jennings.

Basketball season opened and we had a very successful season, ending up in second place in the county.

The Junior Class presented their play much to the enjoyment of everyone.

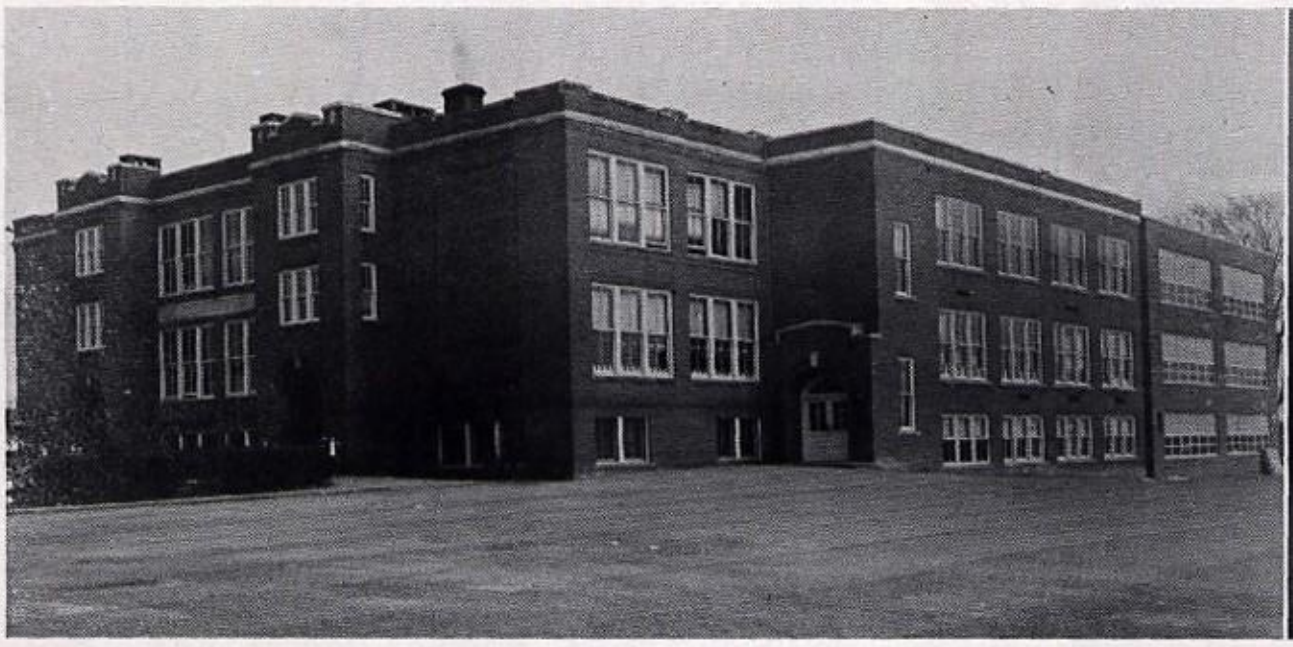
The Athletic Banquet was held in March honoring all of the Athletics.

In April the Juniors gave their Prom with the Seniors as guests of honor.

This has been a very successful year with Baccalaureate and Commencement bringing to a close the 1950-1951 school year, with thirty-seven seniors graduating.

DEAR DIARY

Rootstown



The day which everyone has long waited for finally arrived, September 5th. Our faculty proved to be the same: Mr. Cook, principal; Mrs. Conley, social studies; Mrs. Stough, language; Mr. Denovchek, music; Mr. Foust, coach; Mr. Harris, manual arts; Mrs. Cook, home ec.; Miss DeSimio, commercial; Mr. Hurd, science; and our new English teacher, Miss Jaggers. The grade teachers, Miss Priestly and Mrs. Hildebrand, First; Miss Thomas and Mrs. Belding, Second; Mrs. Rhine, Third; Mrs. Dundon, Fourth; Mr. Johnson, Fifth; Mrs. Schnee, Sixth. Shortly after school started, the grades had their pictures taken then the Seniors journeyed to Massillon for their Graduation pictures.

The football boys sponsored a carnival on October 7th. This proved to be a great success. Next came the Homecoming Dance at which Jane Smith was crowned queen. Under the able guidance of Coach Foust our team won the 1950 CO-CHAMPS of Portage County, with eight wins and one loss. During November, the football boys held a hay-ride and the Juniors gave their play, "The Angell Brats".

Basketball season started December 8.

As Christmas neared, the Girls Club held their annual caroling party and the grades presented a very nice Christmas program. Then 10 long days of vacation. After these restful days everyone came back refreshed and ready to study for semester exams.

In April the Seniors presented their play which was enjoyed by all.

May, which seemed the most important month of all because the Jr. and Sr. prom, May Dance and finally what the Seniors had long waited for "Our trip to Washington."

Baccalaureate services were in May followed by Commencement.

Basketball Squad

Coach Foust

The year 1950-1951 found Rootstown enjoying one of the best athletic seasons in history. Under the guidance of Cliff Foust, the football team shared the Co-Champs in the county. The basketball team also enjoyed success as they won 12 and lost 8 over the course of the season.

Football scores were as follows: Rootstown 18, Brewster 0; Rootstown 25, Jefferson 6; Rootstown 20, Garrettsville 19; Rotstown 14, Atwater 25; Rootstown 25, Windham 24; Rootstown 37, Randolph 19; Rootstown 13, Ravenna 6; Rootstown 43, Suffield 13; Rootstown 13, Greensburg 7.

The basketball scores were as follows: Rootstown 20, Mantua 47; Rootstown 36, Ravenna 57; Rootstown 33, Southeast 48; Rootstown 41, Suffield 43; Rootstown 50, Randolph 43; Rootstown 71, Freedom 49; Rootstown 28, Windham 74; Rootstown 62, Atwater 54; Rootstown 70, Freedom42; Rootstown 57, Hiram 21; Rootstown 54, Randolph 27; Rootstown 61, Atwater 43; Rootstown 66, Garrettsville 34; Rootstown 66, Suffield 67; Rootstown 40, Aurora 55; Rootstown 43, Garrettsville 26; Rootstown 56, Windham 35; Rootstown 58, Ravenna 61; Rootstown 36, Southeast 34; Rootstown 43, Windham 45.

1950 Football Champs of Portage County

Mr. Denovcheck

BAND:

Under the direction of John Denovchek, the band had a very successful season. The 65 piece band gave a splendid performance at the Kent State Benefit Concert. The band backed the football team with their performances.

Fine new instruments were added this year. They included: drums, bass drum bells, oboe and a bass clarinet. Our so capable majorettes were Martha Smith, Drum Majorette, Shirley Dunlap, Jane Smith, Jean Lough, Marcia Ballard and Carol Hayden.

They also played for the Junior Class Play which was held November 22. The band performed in the Sectional Festival and the Spring Festival. They went to the contest at Kent State, where they received a very good rating. Their last appearance was given for Commencement.

We would like to express our appreciation to all those who helped to make our year more successful.

CHORUS:

The 53 voice chorus was also under the direction of Mr. John Denovchek. The chorus had a very successful year.

Their first appearance was made at the Christmas Program presented on December 21. They also sang in the Sectional Festival. The chorus took part in the Spring Festival held at the High School in April. Their last appearance was made at the Baccalaureate Service for the Seniors, which was held in the school auditorium at the end of the year.

We hope to have an even more successful year next year.

Mixed Chorus

School

School opened September 5, 1950 to find that Shalersville does not have a high school.

CALENDAR OF EVENTS

September—Everything was very quiet without the high school. New teachers this year are Mrs. Alma McFarland and Mr. Danford Hayes. Girls softball team won 5 out of 5 games. Boys softball team won 1 out of 5 games.

October—October started off with choosing the King and Queen of the Harvest. Jean Lawrentz was crowned Queen and George Fear crowned King. Attendants were Lynne Lambert, Nola Stamm, George Richardson and Nolan Stamm. Crown bearers were Jackie Horner and James Shebondy. For Halloween the P. T. A. sponsored a Halloween Party. They gave away prizes for best costumes and had refreshments and movies.

November—The Seventh Grade had a Hayride which turned out successfully. In November a series of square dances began, sponsored by Pre-School. The students of Shalersville were very upset when Principal J. Preston Bloom resigned, but a very suitable principal, Mr. William Rogers took his place. Shalersville hopes to have a new school next year. The bond was passed in November.

December—Shalersville had a big Christmas Party sponsored by the P. T. A. All grades participated in the program and made it very entertaining. The eighth grade had a very good class party in December. They gave white elephant gifts and had a very enjoyable time.

We do not know what will come with the New Year, but we hope it will be a good one for one and all.

Hofus, Merrell Dade, Mrs. Bernice Coffman, Mrs. Sara Hoyt, Mr. Paul Pfeiffer, Principal; Bottom row: Miss Adele Phillips, Miss Marian Zapka, Mrs. June Carducci, Mrs. Mildred Fall, Mrs. Dortha Ruckman; Not Pictured: Charles Heisa, Edward Olszewski, Kenneth Ruckman and Mrs. Mary Dade, librarian.

Southeast High School rolled into motion on September 5, when 254 pupils reported for the first day of school. The school was under the efficient direction of Mr. Paul Pfeiffer. The faculty included Mrs. Sara Hoyt, mathematics; Mrs. Ada Stokes, foreign languages; Miss Adele Phillips, English and speech; Miss Marian Zapka, commercial; Mrs. Mildred Fall, English, biology, and girls physical education; Mrs. Jane Carducci, commercial; Mr. Merrill Dade, science; Mrs. Bernice Coffman, art and home economics; Mr. Fordor Hofus, shop; Mrs. Dortha Ruckman, vocal music; Mr. Kenneth Ruckman, instrumental music; Mr. Edward Olszewski, who replaced Mr. Charles Heisa who resigned, social sciences and boys' physical education.

Mrs. Thelma Lee, the office secretary, ably handled all those numerous tasks which have to be done in a school office. Our improving and expanding library was under the capable direction of Mrs. Dade.

The first few weeks of the year were taken up with getting used to the new routine of classes, and having the class pictures and the senior pictures taken. A number of dances were sponsored by the junior and senior classes during the first semester. The hi-light of the semester was the football dance sponsored by the junior class. Ruth Sampson was crowned the football queen at this dance.

After returning from our Christmas vacation we ran smack into the first semester exams. When we had surmounted this obstacle, we started on our second semester activities. Included in these activities were dances, the basketball tournament, the junior play, "Half-Past 'Teen", directed by Mrs. Fall, and the senior play directed by Miss Phillips.

We had many other activities, too. Noon hours during the year were filled with recreational activities, such as movies, dancing, and intramural basketball games. We had an active safety patrol under the direction of Mr. Hofus. We also had an interesting and busy year in athletics.

Most of the time, of course, we studied. Reaching for the ultimate goals of graduation and success in life, we put a great deal of energy into our studies. The elimination scholarship tests were held in April. Our scholarship team represented us ably at the Kent State district tests held early in May.

School came to a close with numerous and important events. Final exams, of course, the junior-senior prom, and recognition night were three of the events. Baccalaureate services were held May 20. The great night for the seniors came on May 26 when Commencement exercises were held in the school auditorium. The successful school year of 50-51 came to an end on May 29, 1951.

Charlestown Grades

Old friendships were renewed and new ones formed as students from Edinburg were welcomed.

New teachers this year included Miss Rapstock and Mrs. Hurd, first and second grade teachers respectively. Mr. and Mrs. Ruckman served as music instructors. Mrs. Ruckman taught vocal music and Mr. Ruckman handled instrumental music, an innovation at Charlestown School.

A masquerade was held in October under the sponsorship of the P. T. A., and the same organization sponsored a Christmas party before we were dismissed for Christmas vacation. Entertainment for this party was provided in music and plays by the various rooms.

The safety patrol served the school faithfully as safety mentors on the playground and busses.

A successful seventh and eighth grade basketball team represented our school athletically throughout the season.

The home-room mothers quite liberally brought treats to the students on special occasions.

April came, and the eighth graders were subjected to the annual state tests.

May brought thoughts of but one thing — the termination of the school year—at long last!

Grade Eight

Deerfield Grades

Deerfield School opened September 5 amid much confusion as one of the four elementary schools in the new Southeast District. In a comparatively short time, considering our tremendous job of reorganization, we were running smoothly with only an occasional bounce.

The Annual School Fair, sponsored by the P. T. A., was held September 30. Many exhibits were displayed and prizes awarded. A chicken and ham supper was an added feature this year, and a play, "The Womanless Wedding" concluded a very successful day.

Goblins and ghosts ran wild at the Halloween Social endorsed by the Band Boosters and the P. T. A.

The tales of being snow-bound after Thanksgiving wore thin with the coming of Santa Claus. The first six grades gave a cantata, "The Christmas Party" directed by the teachers and music directors. A free movie and candy treat, courtesy of the teachers and janitor, preceded the individual classroom parties.

The basketball season arrived with the New Year. Any rules against stilts on the basketball court? . . . and we don't mean for the cheerleaders . . . they speak for themselves!

Robin Redbreast will round out the year activities with 8th grade tests, recognition banquet, and long awaited graduation.

Palmyra Grades

Dear Brother:

You asked in your last letter for news about your alma mater, Palmyra School. Since you left for the army, some changes have taken place; you wouldn't recognize the school once you walked through the building.

The first day of school brought many new faces, including students and teachers. The principal and eighth grade teacher is Mr. John J. Mendiola; you see, we only have eight grades now. The seventh grade teacher is Mr. William Peterson, who also has part of the sixth grade. Mrs. Helen Spencer has the fifth grade and half of the sixth. Mrs. Dorothy Hickman is the fourth grade teacher and Mrs. Alice Shipley has the third grade. Mrs. Thelma Wigglesworth teaches the second grade, and Mrs. Pauline McKinney, the first grade.

Our enrollment of 210 consists of children from Palmyra and Edinburg. They have all worked together so amazingly well that you couldn't tell them apart.

We have school functions other than just studies. A safety patrol is very active with Patty Riggenbach as Captain. For fun we have had movies, a masquerade party at Halloween time, and a grand Christmas party. We were very proud of our Christmas operetta, "The Lost Doll" directed by Mrs. Kenneth Ruckman, our vocal instructor. On another P. T. A. night the combined orchestra of Paris and Palmyra made their debut under the direction of Kenneth Ruckman, our instrumental teacher.

Our custodian is Mr. Walter Marik, and the cooks are Mrs. Maude Strock and Mrs. Mary Simpson.

Yours truly,
Pete

Paris Grades

The enrollment this year is about two-hundred due to the new students that were the result of the consolidation. We have seven teachers of which three are new. We also have a new custodian.

We have changed our manual training room into a new second grade room, moved the manual training into the commercial room, and the girls are using the typing room for an art room. We have also changed the Study Hall into the fourth and seventh grade rooms, while the Science room is being used for vocal music.

Our orchestra, which is gradually growing, played for the Christmas program, after which the tonette band played. We believe we did very well.

Cheerleaders have been chosen for our basketball team which we think is a very good one. We call them the "Knights".

We have edited a school paper which is a great success. We call it "The Regular Bore."

The eighth graders are very anxious to start to Southeast next year.

Faculty

The opening of school this year found the children enjoying a brand new school building, inside and out. Needing a new teacher, the board hired Mrs. Margaret Fobes as our 2nd and 3rd grade teacher. Mr. Stanton, our retired custodian, has been replaced by Mr. Ralph Rowinsky who is doing a swell job of keeping the school clean and up to working efficiency.

The board members, Mr. Cecil Haas, Mrs. Ethel Jahn, Mr. Merle Wilcox, Mr. Glen Harshbarger, and Mrs. Glen Cowan, have worked hard in planning and organizing the transition we have had to go through.

They have wisely ordered new playground equipment. The merry-go-round was a very overworked piece of equipment in spite of the dizzy effect it had on the children.

The gym is a blessing during the extra cold and rainy days. At recess time the children let out their energy by playing in the gym in such a way the noise would scare the bravest of men if he wasn't prepared for it.

The seventh and eight grade have given an assembly program prepared by themselves. The Christmas Program was produced by all the grades working in coordination. The P. T. A. furnished refreshments after the program.

The gym is being used quite extensively by the school, church, P. T. A., and Aurora High School.

Mrs. Kernen is glad to have a stage to work on for her piano lessons. Mrs. Goetz likes her new room with only the first grade children to work with. Mrs. Johnson enjoys the new desk in which she can place her things. Mrs. Fobes has the largest in which she has plenty of space for the two grades. Mrs. Dulebohn misses her front cloak room in which she used to build her puppet stages. Mr. Lewis is still quiet and unmoved only to express the building is sure a swell place to work in without two flights of steps to go up. Mr. Swasey is still looking for a good office worker to place in the outside office. Mrs. Jorgenson and Mrs. Miller are still continuing their swell cooking and are quite elated in their new kitchen without the rats to bother them.

We have a very nice school now and the children are all proud of it. They are doing all they can to keep it that way, which shows us that the work, sweat, and money spent for this grand school is being appreciated by all.

School

School Days, School Days,
Dear old Golden Rule Days,
Readin' and Writin' and 'rithmetic,
Taught to the tune of the Hickory Stick . . .

Ah, yes, school days started once again on September 4, amidst falling plaster, rain, and a bit of sunshine through the roof, and hopeful Freshmen hearts. Sunshine sometimes fades into darkness and thunder but the Freshmen didn't fade into darkness and their thunder certainly still rolls through the halls.

On September 8 the Football Preview was held in Ravenna. Our season was not as successful, as far as wins and losses are concerned, as we would have liked, but the team and the school consider the season a huge success due to sportsmanship, conduct of the students and the team, and most of all the wonderful school spirit displayed.

Preceding our homecoming game with Windham, we held a "Pep Rally" which, for the time being, took the place of "Homecoming". We were handicapped without our gym, so it was held in the garage and we had a big bonfire outside and roasted wieners. This was all topped off by the crowning of the "Queen". "A good time was had by all!"

The Seniors went to Davis' Studio in Massillon, September 21 to have graduation pictures taken. We visited Washington High School for lunch and the remainder of the afternoon. Everyone enjoyed the day immensely.

A very successful Grade tea was held on November 9 for the 1st, 2nd and 3rd grades with 60 mothers attending.

The Honor Society held a "Sadie Hawkins Day Dance" at the Town Hall November 17. If you weren't dressed in dog-patch style, you had to pay 10c. They had a wonderful turnout and a super time.

After Thanksgiving we had an unexpected vacation, not because we were so full of turkey, but because the roads were so full of snow. We had to work extra hard to get back in the old groove. But on December 21 we were relieved by our Christmas vacation, till January 3.

Mr. Nelson

Somewhere before Christmas our basketball season started by a game with Garrettsville. We had a tough schedule and no gym, but a wonderful team pulled us through in fine shape all the way down through our last tournament game. We were hopeful during the whole season that our beautiful new gym would be done for the "next" game but it just didn't seem to work out that way.

Turning from athletics to scholastics for awhile, the schedule was tough there, too. From mid-year exams in January to finals in May, there was nothing but study - study - study, with one wonderful vacation for Easter from March 22 to 26, with lots of eggs, candy, and freedom.

The F. H. A. gave a banquet for the schoolmasters on April 12 and not wanting to be outdone by the girls, the F. F. A. boys gave a banquet a week later for their fathers.

Finally, the "Seniors-long-awaited-dream" came true. "GRADUATION" . . . We didn't all pass with flying colors, but we passed — didn't we? I'm not sure if the teachers passed us out of sympathy for us or for themselves. Anyhow, the Seniors of '51 are "gone" but we hope "never forgotten" for we will never forget the last year at Suffield High.

Windham

Windham schools have undergone complete change since the beginning of World War II and the coming of the Federal Housing Project to the community. In a ten year period enrollment has increased some 600 per cent.

To provide tempting and ourishing meals for about six hundred students each day, six women are employed in the two modern cafeterias.

The phenomenal growth of the school system is evidenced also by new buildings, new teachers, and new courses of study. These include a complete yearly schedule of mathematics, science, mechanical drawing, shop, and commercial subjects. Problems of health are studied in a health class for seniors. The American Red Cross offers a twenty hour course in home nursing — care of the sick and the very young — to all freshman girls.

News of the football and basketball teams is given elsewhere, but let's not forget the girls! In their new and becoming uniforms they participated in intramural basketball games, baseball, volleyball, and tumbling. The emphasis this year was on individual sports — archery, badminton, and dancing — that the girls will find valuable in their leisure time throughout their lives.

One of the many interesting projects of the senior home economics class was a series of various types of parties given in class by the students. These provided excellent experience for the future homemakers.

The Windham American Legion Post sponsored an essay contest on "What the American Flag Means to Me." A $25 savings bond went to each of the winners—Robert Lehner, Delores Horvath, and Ruby Jaskewicz.

Winners in the local Prince of Peace contest were Ceatta O'Sako and Cynthia Bauer.

Eight persons made up the debate squad. Foul weather postponed some of the meets, but the competition finally got underway and our four veterans and four novices gained poise and experience, while having a grand time.

One evening in early fall and another in late spring found the house lights dimmed and the thespians on stage. Both the junior and senior plays were well received by the audiences.

The athletic department profited from the successful efforts of the students in two magazine campaigns.

A series of entertaining and educational assembly programs was provided throughout the year by the Antrim and Sorenson Lyceum Bureaus. Also outstanding were the special holiday programs given by the students. The high school chorus and the eighth grade gave our Thanksgiving assembly. The Christmas program was presented by the musical organizations and the speech class. An impressive Easter service gave us inspiration for these troubled days.

With much hard work on the part of the band members and much cooperation from the citizens of Windham, the band blossomed forth this year with snappy new uniforms. They participated in the Band Contest at Kent State University; they played at all athletic events. Through the tireless efforts of Mr. Tavalario the band made great strides as a result of private lessons, sectional rehearsals, and marching practices during the summer vacation. They presented a fine concert in the fall and thus said, "Thank you" to their community backers.

"All work and no play makes Jack a dull boy." But neither the Jacks nor Jills were dull this year. Despite the activities previously mentioned, the social whirl was not neglected. Skating parties, class parties, and dances kept the boys and girls busy. The Homecoming celebration was a highlight of autumn. Jeanine Stewart was elected queen of the festivities. The court included Millie Anderson, Betty Lou Ball, Marian Bertram, and Judy Eckman. The school faculty and all other school personnel became better acquainted at a banquet in November.

But, this is the seniors' book, so let's review their last, most exciting year. The annual trip to Massillon was enjoyed by all. After the presentation of a three act mystery-comedy, "Aunt Cathie's Cat," they began working earnestly on other money-making ventures to finance their eagerly anticipated trip to Washington, D. C. Among these projects were the sale of greeting cards, the sponsoring of a banquet, bake sales, and dances.

The junior class gave them a splendid banquet, the social highlight of their school career.

Tired but enthusiastic after the Washington trip, they returned home to face the usual last minute rush. There were the Class Night presentation, final exams, Baccalaureate services, and the climax of it all, Commncement.

With energy to spare they concluded a hectic, but rewarding year and they are now taking their places in the big wide world.

Good luck, kids!

FOOTBALL

The Windham football team opened the season with thirty-five boys, fifteen of them lettermen.

Thanks to the diligence of the student body in selling magazines, the players were clad in new black and gold uniforms. The student body also made possible the purchase of a heat lamp for the team.

At the annual Football Preview they not only looked elegant in the new uniforms, but they played well, defeating Garrettsville, their arch-rival.

The Bombers principally utilized the T-formation with variations of the single wing. This year, for the first time, they used the Notre Dame open huddle.

The season was a fairly successful one, as may be seen in the record below. Their greatest triumph was winning the homecoming game with Garrettsville.

The social highlights of the season were the rally and bonfire before homecoming and the annual football banquet, at which nineteen players were awarded letters.

BASKETBALL

New uniforms seemed to be the rule at Windham High this year and the basketball team was not an exception. Handsomely attired and fired with enthusiasm, the fourteen boys made the competition keen among themselves for the starting positions. There were four returning lettermen, but what the others lacked in experience, they made up in drive.

Average height of the varsity players was five feet eleven inches. This gave them an advantage in retrieving rebounds.

The boys worked long and faithfully in daily practices and the school was proud to have them represent it on the courts.

Windham's team played host to a highly successful invitational tournament during the Christmas vacation.

After defeating Mantua in a thrilling play-off game, they captured the Portage County championship.

In the county tournament Rootstown defeated them in the first game. But thye came back to win the next three games and to force Rootstown into a play-off to determine who would go to the sectional tournament at Kent State University. There the boys were defeated by a strong Hartville club.

The team, along with the other athletic groups, was feted at a post-season dinner given by the Methodist Men's Club.

Library

Which is the most crowded room in Windham High School any period in the day? You guessed it — the library. There is a variety of reasons why it's so popular. One is that it's always gayly decked with timely decorations, be it autumn, winter or spring. New book cover displays also add a note of color. These tend to give the room a warm atmosphere, condusive to study or just to reading the latest in the many periodicals in the rack.

The seven sets of encyclopedias are constantly used to find out more about the topics discussed in the classrooms. Well-worn dictionaries attest to the students' search for knowledge.

For years past, a substantial part of the school budget has been apportioned to the library fund and thus has been built up a fine collection of books, about 2500 volumes. In addition to the fiction and biography shelves for enjoyment, there are enough books on all subjects to answer the questions of even the most avid student.

In order to help the boys and girls in locating information, courses are conducted by the librarian for grades sevent through twelve. In these, the Dewey Decimal System is explained and the lectures are followed by problems, that give the students experience in practical application.

Junior and senior students assist the librarian-teacher, Mrs. Betz, in checking, stamping, accessioning, filing, and the many other duties necessary for a smooth-running organization.

If a student needs a particular book and he cannot find it, he refers the problem to Mrs. Betz. If she cannot help him, chances are The Portage County Bookmobile can.

This year the larger part of the library funds was turned over to the grade school in order to build up an equally complete library program for the younger pupils.

Excuse me. Think I'll go to the library.

Speech and Hearing Therapy

Another innovation at Windham schools was the employment of a full time speech and hearing therapist. Groundwork for this new program was laid by the County Supervisor of Speech and Hearing, Mrs. Wilcox. The initial work was begun in the fall of 1949 by student-clinicians of Kent State University, under the direction of Mrs. Wilcox. Preliminary surveys were made, and these established the need for such a plan. The results of the work done with speech and hearing handicaps were met enthusiastically by school administrators.

In the fall of this year Mr. Frank Fedorka, a graduate of Kent State, came to Windham. Having been certified by the state he is the holder of a special provisional certificate in speech and hearing therapy.

As is true of all pioneer movements, there is much planning to be done and much equipment to be purchased. However, Mr. Fedorka has done an outstanding job with the facilities available.

He conducted a complete survey of the schools and found about a ten per cent incident of speech cases. These students with speech defects were given remedial instruction individually and in groups. These groups were made up of students who had the same type of defects and who were of approximately the same age and grade.

Teachers and parents were kept informed of progress, and they were given suggestions for aiding these students in various ways.

The hearing program began with a screening of all the students, to find those with hearing impairments. These tests were held in the Community Building. The audiometers used were purchased by the County P. T. A. and were loaned to Windham schools.

The students who were found to need treatment were referred to a doctor for a medical diagnosis. Teachers and parents were given information concerning these individuals and suggestions for helping them.

The potentialities of this kind of program are great. It has been discovered by psychologists that children frequently fail to adjust themselves to normal life if they possess such defects as those with which we are dealing here. With proper understanding and treatment of their problems, both physical and mental, there will be a larger number of them who will live happy and rewarding lives.

BUSINESS MANAGERS

The business managers are to be commended for the efficient way in which they sold advertising, managed the financial side of publishing the book and aided the editorial staff. This assignment meant meeting the public, compiling statistics, and the experiencing of practical salesmanship.

We thank our patrons for the way in which they responded to our advertising campaign and we thank the business managers who secured the advertising.
